

# HELIOS VANGUARD INC.

DEFENSE PROCUREMENT, OPERATIONAL SUPPORT & REGULATED TRADE SOLUTIONS

## COMPANY OVERVIEW

Helios Vanguard Inc. is a U.S.-based defense procurement and mission support company supporting federal agencies, military organizations, law enforcement entities, and authorized institutional partners. The company specializes in sourcing, supplying, and coordinating mission-critical equipment, regulated defense articles, tactical technologies, medical support supplies, unmanned systems, and operational logistics solutions across domestic and international procurement environments.

Helios Vanguard operates through a compliance-driven framework aligned with U.S. federal procurement systems, export control regulations, and defense supply chain requirements. The company supports direct government procurement, prime contractor teaming arrangements, Foreign Military Sales (FMS) programs, NATO-aligned procurement environments, contingency operations, and overseas mission support.

## CAPABILITY MATRIX

CAPABILITY AREA	HELIOS VANGUARD ROLE
Defense Equipment Procurement	Supplier sourcing and procurement coordination
Tactical Systems	Equipment procurement and delivery coordination
Unmanned Systems	Drone and counter-UAS sourcing
Medical Equipment	Procurement and logistics support
Fuel & Energy Logistics	Vendor sourcing and fuel supply coordination
Base Operations Support	Equipment and supply support
Defense Supply Chain	Global sourcing and supplier coordination
Government Contract Support	Prime contractor or subcontractor participation

## DIFFERENTIATORS
